Emperor Wu of Liang Repentance Dharma Service

Remembering and showing gratitude to our ancestors has long been part of Chinese culture. In the seventh lunar month, we will promote filial piety and a healthy social norm by staging “Emperor Wu of Liang Repentance Dharma Service” on August 1, 2010.

The Emperor Wu of Liang Repentance is considered the king of all sutras and as the repentance most blessed by the Buddhas. By the merit and virtue of this repentance service, we pray for world peace, all devotees to grow in good fortunes and wisdom, all your families to be peaceful and healthy, all your careers to develop smoothly, and all your ancestors to be reborn in the Pure Land. You and your family are warmly invited to attend this service and share the Dharma joy.
